

International Association for Identification

Louisiana Division, Inc. www.laiai.org

MEMBERSHIP APPLICATION

The Louisiana Division of the International Association for Identification was formed to associate persons actively engaged in the profession of Forensic Identification, Investigation, and Scientific Examination of physical evidence. Thus, the profession and all of its divisions may be standardized and effectively and scientifically practiced.

The Association's objective is to encourage research, keep members apprized of the latest techniques and discoveries, and to utilize the Association members' collective wisdom to advance the profession of Forensic Identification and Crime Detection.
